

**UNIQUE AND UNMISTAKEABLE**

**BÖWE**  
Textile Cleaning

# QUALITY AND PERFORMANCE IS THE KEY TO OUR SUCCESS

BÖWE Textile Cleaning GmbH, located in Augsburg, Germany has assumed control of the central responsibility for research and development of textile dry cleaning equipment within the worldwide operating SailStar Group. BÖWE's competence in the dry cleaning field is based upon 60 years of successful development and production of world class machinery. From the outset BÖWE has been the premier supplier to the industry world wide and providing significant customer benefits.

# QUALITY AND ATTENTION TO DETAIL

**BÖWE**  
Textile Cleaning

BÖWE high-tech products of the PremiumLine, InduLine, and StarLine series are produced, assembled, and completely checked at the Augsburg factory. BÖWE has demonstrated its competence in the production of dry cleaning equipment for six decades.

BÖWE customers are demanding the best in quality, performance and economic operation on top of user friendly design.

» THIS IS WHAT WE STAND FOR AND THIS IS WHAT WE WORK FOR «

# BÖWE ALWAYS MEETS NEW CHALLENGES

BÖWE continuously develops new and improved solutions in its Technology Center in Augsburg. A complete range of test machines is installed here where BÖWE examines new technologies, new solvents and new applications.

BÖWE also conducts long term trials with complete prototypes and components in order to provide the appropriate combination of performance, quality and durability to BÖWE customers.

» ALWAYS A STEP AHEAD «

# RESPONSIBILITY, INNOVATION AND ENVIRONMENT

**BÖWE**  
Textile Cleaning

These three terms have always been  
inseparably linked at BÖWE:

BÖWE acts responsibly towards today's  
customers. It is the only way to preserve our  
future generations. And BÖWE takes this  
responsibility seriously.

BÖWE always tries to achieve a balance  
between technical solutions and economic  
pragmatism. Projects are realized in terms  
of the customers demand.

At the same time, BÖWE commits itself to  
protect the environment through the use of  
environmentally friendly solvents and processes.

» WE SHOULD THIS RESPONSIBILITY GLADLY «

# CLOSE TO OUR CUSTOMERS – DIALOGUE, COMPETENT ADVICE AND SERVICE

BÖWE wants to be close to the customers and engage them in dialogue. This is the only way to find out what they really want and need. In order to provide competent advice BÖWE maintains a local presence and has subsidiaries in the US, UK, Spain and China

with complete service facilities. In other markets BÖWE relies on experienced sales and service partners who maintain their own staff and also offer spare parts supply. Thereby BÖWE guarantees a reliable and competent sales and service network to its customers.

**» A MACHINE IS ONLY AS GOOD AS THE SERVICE ATTACHED TO IT«**

**YOUR SUCCESS  
IS OUR GOAL!**

**BÖWE**  
Textile Cleaning

BÖWE wants to improve the productivity and thus the financial success of their customers through affordable state of the art and reliable technology, especially in view of the strong competition in the market place.

**» YOU, TOO CAN USE OUR STRENGTHS FOR YOUR SUCCESS«**

# TOP TECHNOLOGY WITHOUT COMPROMISE
