What can Silver give to your work

Bright glasses.

Exceptional results with the washing circuit designed to exploit at best the power of the pump.

Sanitised glasses.

The high performance integrated boiler and the electronic control of the temperature with thermostop are associated with a dedicated hydraulic circuit and with high performance sprayers to ensure you a faultless hygiene.

Economy in consumption.

Thanks to its advanced design the consumption of water and energy are particularly reduced; the operative cycle is short and an effective electronic Energy Saving device avoids useless consumptions during the intermittent work phases.

Intuitive functioning.

The electronic control panel permits to command the machine with a few big pushbuttons with intuitive meaning; the lighting indicators and the digital displays visualise the working state and the current temperatures, as required by the HACCP norms.

Total quality.

The Gold dishwashers are designed to guarantee the maximum reliability; the components used are among the best to be found on the market and their position inside the machine is planned to facilitate in the best way maintenance operations. The Colged quality system is certified ISO 9000 and the productive factory is the most modern in Europe, because "Total Quality" is not only a slogan.

Always at your side.

Gold is distributed only by Colged's authorised retailers; the corporation is taking care directly of the formation and modernisation of the assistance centres; the distribution of the spare parts is ensured by Eurotec Service, a structure solely dedicated to assuring an excellent customer service.

Adaptable! The adaptor for round baskets is available on request

The sparkling glasswashers

Colged's Silver glass washers are tireless, help you in working, are intelligent, versatile and advanced. The Silver line conjugates simplicity with the most advanced technology, the easiness

of use with performance, reliability with the pleasant of the external aspect.

Easy! A few function pushbuttons and digital displays

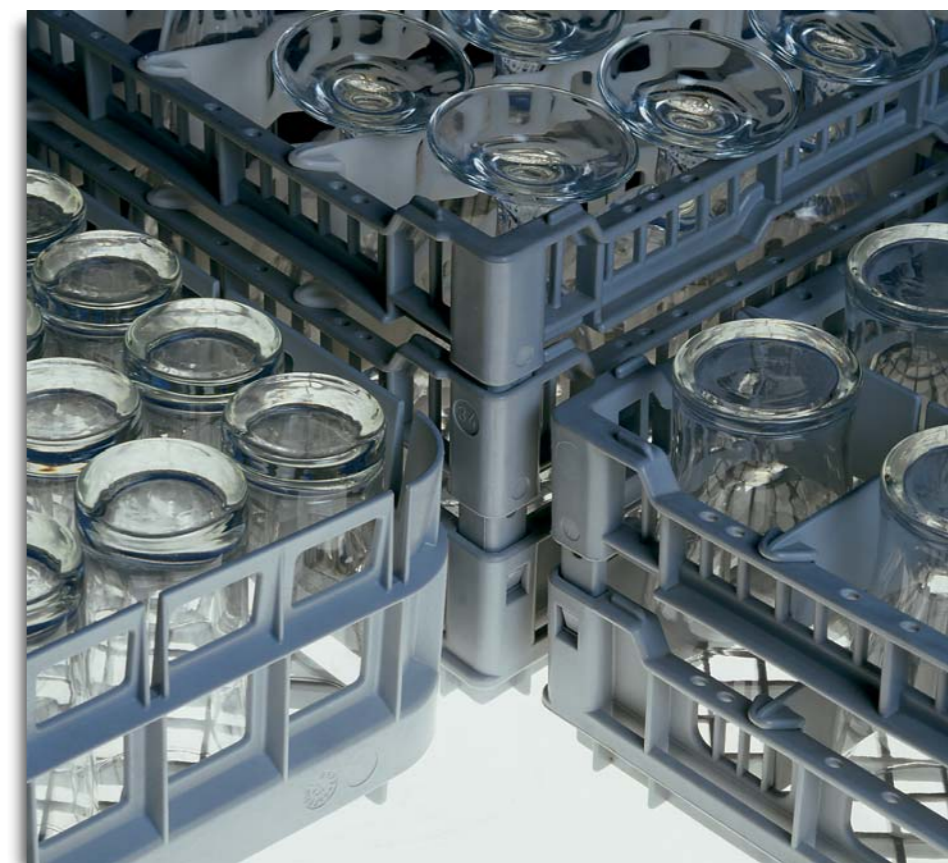

Discreet! The double-walled door decreases the noise

Effective! Independent hydraulic circuits

Versatile! Silver 40 e 45 have a wide clearance and superior washing

Specialised! A numerous baskets family for every need
